Hikvision DS-1280ZJ-XS(Black) Junction box

Model: DS-1280ZJ-XS(BLACK)

Manufacturer: HIKVISION

EAN: 6954273687687

Product Code: 1577087

R920

Crafted from durable aluminum, this black junction box is designed to enhance and protect your surveillance setup. Compatible with specific Hikvision camera models, including DS-2CE10DFT-F and DS-2CE12DFT-F, it ensures a seamless fit and integration with your existing Hikvision system. The robust construction of the junction box not only provides a stable mounting platform but also offers added protection against environmental elements due to its waterproof capabilities. This feature is essential for maintaining the integrity and performance of your security cameras in various weather conditions. The sleek black finish complements any setting, maintaining a professional appearance while safeguarding your equipment. This product is a testament to Hikvision Digital Technology's commitment to quality and security.
