

Teltonika WIFI DuaL-Band magnetic SMA antenna

Model: PR1KRD30

Manufacturer: TELTONIKA

EAN: 5704174398530

Product Code: 1577124

R726

Enhance your network performance with the Teltonika PR1KRD30, featuring an antenna gain level of 3 dBi. Designed to operate across a wide frequency band of 2.4-2.5/5.1-5.95 GHz, this antenna ensures compatibility with a diverse range of devices and applications. With an impedance of 50 Ω , it efficiently maintains signal integrity and strength. The antenna is equipped with an RP-SMA connector with a male gender, ensuring easy and secure connections to compatible devices. Vertical polarization helps in reducing interference and improving signal reception in various installation environments. Compact in design, the antenna stands at 88.5 mm in height and has a diameter of 3 cm, making it easy to install in space-constrained areas without sacrificing performance. Each pack contains one antenna, allowing for a focused and straightforward setup. Whether used in home, office, or industrial settings, this antenna is a robust choice for enhancing your network's reach and reliability.
