

Yealink W76P IP phone Grey 20 lines TFT

Model: W76P

Manufacturer: YEALINK

EAN: 841885107480

Product Code: 1577347

R3,882

A High-performance Solution with Efficient Communication Network

Supporting registration with up to 10 Yealink W56H DECT handsets, the W76P system is launched with robust processing capacity for up to 10 SIP accounts and 20 simultaneous calls. More flexibility and mobility could be enabled through up to 6 optional repeaters for extended network coverage.

Deliver Bright and Clear Voice to Fullfill Effectiveness Across Spaces

Combining the professional handset W56H with Yealink new DECT base station W70B, the W76P delivers superb and stable audio quality in whether high-bandwidth or poor network conditions by supporting Opus and a series of audio codecs. The Noise Reduction System also ensures the effectiveness of the conversations in complicated environments.

Streamline the Provision and Management, Saving Your Labor and Time Costs

The W76P supports efficient provisioning and effortless mass deployment with Yealink's Redirection and Provisioning Service (RPS) and Boot mechanism to help realize remote deployment, maintenance and upgrade.

Moreover, the new web portal for device management brings clear and intuitive interface to upgrade user experience.

Yealink Full-range of DECT Devices Solutions

Yealink W76P DECT IP phone system is also compatible with Yealink whole series of DECT endpoints including handsets, conference phones and DD phones, offering additional choices for building up wireless communication network in various workspaces across small and medium size business.
