

Mikrotik 19 10U desktop rack

Model: SR-10U

Manufacturer: MIKROTIK

EAN: 4752224008329

Product Code: 1577389

R1,525

The **SR-10U MikroTik** is a robust 19-inch desktop rack designed to provide an organized mounting solution for networking equipment. Constructed from durable materials, this rack ensures longevity and reliability, making it an ideal choice for both home and professional environments. With its sleek design, it seamlessly integrates into any workspace, enhancing both functionality and aesthetics.

Featuring a capacity of **10U**, the **SR-10U** offers ample space for organizing various devices such as switches, routers, and patch panels. This thoughtful design allows for a tidy and easily accessible configuration, enabling efficient management of your networking hardware. The well-structured layout minimizes clutter and maximizes productivity.

Manufactured by **MikroTik**, a renowned name in the networking industry, the **SR-10U** is built to meet the demands of modern networking setups. Its sturdy construction and thoughtful design make it a reliable choice for both small and large installations. The product code **SR-10U** signifies its place in the MikroTik lineup, known for quality and performance.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
