Western Digital Ultrastar 6TB SATA HA340 WUS721206BLE6L4 0B47077

Model: 0B47077

Manufacturer: WESTERN DIGITAL

EAN: 829686008915

Product Code: 1577511

R9,058

The **WD HA340** is a high-performance **server hard drive** designed to meet the demanding needs of enterprise environments. With a generous **capacity of 6TB**, this **3.5-inch HDD** utilizes the **SATA III (6 Gb/s)** interface, ensuring rapid data transfer speeds for efficient data management and retrieval. The drive features a robust **7200 RPM** rotational speed and a substantial **256 MB cache**, allowing for quick access to frequently used data and enhancing overall system performance.

Engineered for reliability, the **WD HA340** boasts a nominal lifespan of **2 million hours**, making it an excellent choice for critical applications where uptime is paramount. The drive employs **CMR technology**, which optimizes performance in multi-drive environments, providing a significant advantage over competitors that may use less efficient recording methods. This model is ideal for
