

Western Digital Red Pro 22TB WD221KFGX

Model: WD221KFGX

Manufacturer: WESTERN DIGITAL

EAN: 5415247300960

Product Code: 1577600

R26,471

The **WD221KFGX Western Digital Red Pro** is a high-performance hard disk drive designed specifically for NAS (Network Attached Storage) systems. With a substantial **HDD capacity of 22 TB**, this drive is ideal for users who require extensive storage solutions for their data-intensive applications. The **7200 RPM** speed ensures quick data access and efficient performance, making it suitable for demanding workloads and multi-user environments.

Equipped with a robust **512 MB storage drive buffer size**, the WD Red Pro enhances data transfer rates and overall system responsiveness. This **3.5" HDD** utilizes the **Serial ATA III** interface, providing a seamless connection to your NAS setup. The drive is engineered with advanced technologies that optimize performance and reliability, ensuring that your data is always accessible when you need it.
