Western Digital Gold 22TB WD221KRYZ

Model: WD221KRYZ

Manufacturer: WESTERN DIGITAL

EAN: 718037893518

Product Code: 1577607

R28,355

The **WD221KRYZ** from **Western Digital** is a high-performance **HDD** designed to meet the demands of modern data storage needs. With an impressive **capacity of 22 TB**, this drive provides ample space for large files, making it an ideal choice for data centers, enterprises, and professionals who require reliable and extensive storage solutions. The **7200 RPM** speed ensures quick access to your data, enhancing overall system performance and efficiency.

Equipped with a robust **512 MB buffer size**, the **Western Digital Gold** HDD optimizes data transfer rates and minimizes latency, allowing for smoother multitasking and faster file retrieval. The **3.5" size** makes it compatible with a wide range of systems, ensuring versatility in deployment. The **Serial ATA III interface** further enhances its performance, providing a seamless connection that supports high-speed data transfers.
