TP-Link Tapo Mini Smart Wi-Fi Socket, Energy Monitoring

Model: TAPO P115(1-PACK)

Manufacturer: TP-LINK

EAN: 4897098687406

Product Code: 1577623

R969

Smart Control from your Mobile Device

Manage your connected devices from anywhere with the Tapo app. It’s designed to support your lifestyle and keep your family safe.

Save Money and Energy

Monitor real-time power consumption and energy spend via the Tapo App.
Save smarter by managing your appliances for when electricity is cheaper.

Live Smarter with Smart Schedules

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Schedules and Timers let you live a more intelligent, convenient, and environmentally friendly life. Have connected devices on and off only when you need them.

Group Devices For

One-Tap Control

Combine several devices under one group, so your smart plug works with other Tapo smart devices. Turn them all on or off with one action – no need for repeated actions anymore.

Mighty Features and Compact Size

Tapo P115 is built small to leave adjacent sockets open, making it convenient for daily use.

Power-Off Memory

No Power? No Internet Connection? No Worries! Your routines will continue.

Share to Families

Not limited to single control, family members can directly share management permissions with each other, saving time and enhancing user-friendliness.

Safety At Home, While Away

Away Mode simulates someone being at home. Deter thieves and those of ill intent with plugged-in devices turning on and off at scheduled times.

Enjoy Easy, Friendly Setup and Use

Unique onboarding technology makes setup steps simpler for faster connection (within 20 seconds), *No separate hub or accessories required
