Western Digital Red Plus 4TB WD40EFPX

Model: WD40EFPX

Manufacturer: WESTERN DIGITAL

EAN: 718037899794

Product Code: 1577763

R5,482

The **WD40EFPX** from **Western Digital** is a high-performance **4 TB HDD** designed specifically for NAS systems. With a rotational speed of **5400 RPM**, this drive offers a reliable solution for data storage, ensuring smooth operation and efficient access to your files. The **256 MB storage drive buffer** enhances data transfer rates, making it an ideal choice for multi-user environments where performance is crucial.

Engineered for **NAS applications**, the **Western Digital Red Plus** series, including the **WD40EFPX** , is built to handle the demands of 24/7 operation. This drive is optimized for RAID configurations, providing enhanced data protection and reliability. Its **Serial ATA III interface** ensures compatibility with a wide range of systems, making it a versatile addition to your storage solutions.
