TP-Link JetStream 16-Port Gigabit Smart Switch with 8-Port PoE+

Model: TL-SG2016P

Manufacturer: TP-LINK

EAN: 4897098689349

Product Code: 1577837

R5,131

Smarter Switching for Smarter Results

JetStream 16-Port Gigabit Smart Switch with 8-Port PoE+

Multiple Application Scenarios

The TL-SG2016P is fully compatible with PoE devices, such as IP cameras, access points, and IP phones. It also works with non-PoE wired devices to provide gigabit connections, such as PCs, printers, and IPTV.

Power over Ethernet for Simplified Network Deployment

Features eight 802.3af/at compliant PoE+ ports, the switch supports up to 120 W total PoE power budget.* Designed to use a single Ethernet cable for both data and power transmission, it offers flexible deployment for PoE-supported devices such as wireless access points, IP cameras, and IP phones, lowering infrastructure costs for small businesses.

Value-Added Features Bring Unexpected Experience

Access Control List (ACL)

ACL serves as a virtual admin, allowing all connected devices to obtain data in accordance with user-defined network rules and help you create the network regulations you need.

QoS for Lag-Free Experience

Designate the priority of traffic based on QoS, ensuring latency sensitive applications like voice and video, remain clear and lag-free.

VLAN for Security

Use VLAN to achieve logical grouping management of devices in different physical LANs, improve information security, and reduce data congestion.

Omada SDN—Smarter Cloud Solution for Business Networking

Omada Software Defined Networking (SDN) platform integrates network devices including access points, switches and gateways, guaranteeing powerful business network with higher efficiency, higher security, and higher reliability.

Hassle-Free Centralized Cloud Management:
100% centralized cloud management of whole network from different sites—all controlled from a single interface anywhere, anytime.

Easy Management with the Omada App
