

CAT 6A S-FTP installation cable, 500 MHz Eca (LSZH-1), AWG 23/1, 50 m, sx, blue

Model: DK-1641-A-VH-05

Manufacturer: DIGITUS

EAN: 5907772596470

Product Code: 1578073

R1,461

The **DIGITUS DK-1641-A-VH-05** is a high-quality **CAT 6A Twisted Pair Installation Cable** designed for reliable and efficient data transmission. With a length of **50 meters**, this cable features **S-FTP shielding**, which includes pairs in metal foil and braid shielding, ensuring minimal interference and enhanced performance. The **LSOH jacket** provides added safety by reducing the emission of toxic fumes in case of fire, making it an excellent choice for both residential and commercial applications.

This cable meets the **CPR Eca** classification, indicating its suitability for various installation environments. The structure consists of **4 x 2 AWG 23/1 solid twisted pairs**, which contribute to its durability and signal integrity. The light-blue color adds a professional touch, making it ideal for
