

Extralink Kat.6A S/FTP 1m LAN Patchcord Copper twisted pair, 10Gbps

Model: EX.6556

Manufacturer: EXTRALINK

EAN: 5902560366556

Product Code: 1578312

R534

Extralink Patchcord LAN network cable - 1 meter long. Network Cable Extralink is a 1 meter long, gigabit copper Patchcord LAN cable. For indoor use. LAN Patchcord is a basic element of computer networks operating in Ethernet standard. It is used to directly connect two active devices, such as a router or switch, so that data can be transferred between them. It is also used to connect computers or Voip telephones for structured cabling and to perform patch panel switching in IT cabinets. It is perfect for both large and small computer networks. Shielded patchcord Extralink is highly flexible, which translates into installation convenience and user comfort.
