Model: EX.6587

Manufacturer: EXTRALINK

EAN: 5902560366587

Product Code: 1578314

R644

Extralink Patchcord LAN network cable - 5 meters long. Network Cable Extralink is a 5 meter long Gigabit copper Patchcord LAN cable. LAN Patchcord is the basic element of computer networks operating in Ethernet standard. It is used to directly connect two active devices, such as a router or switch, so that data can be transferred between them. It is also used to connect computers or Voip telephones for structured cabling and to perform patch panel switching in IT cabinets. It is perfect for both large and small computer networks. Shielded patchcord Extralink is highly flexible, which translates into installation convenience and user comfort.
