

Intel Core i7- 14700 2.1GHz LGA1700 Boxed CPU

Model: BX8071514700

Manufacturer: INTEL

EAN: 5032037279239

Product Code: 1578371

R10,205

Introducing the **Intel Core i7-14700**, a powerful processor designed for desktop computing. This **Intel® Core™ i7** processor features an **LGA 1700** socket, making it compatible with the latest motherboards. With support for **dual-channel memory** and a maximum internal memory capacity of **192 GB**, this processor is ideal for demanding applications and multitasking environments. It supports both **DDR4-SDRAM** and **DDR5-SDRAM**, ensuring flexibility and future-proofing for your system.

The **Intel UHD Graphics 770** integrated graphics provide excellent visual performance, supporting outputs such as **Embedded DisplayPort (eDP) 1.4b**, **DisplayPort 1.4a**, and **HDMI 2.1**. With a base frequency of **300 MHz** and the capability to boost up to **5.4 GHz** with **Intel® Turbo Boost Max 3.0**, the i7-14700 delivers exceptional performance for both gaming and professional applications. This processor is designed for a variety of uses, including **PC/Client/Tablet** setups,

making it a versatile choice for any user.

Manufactured by **Intel**, a leader in semiconductor technology, the **BX8071514700** model stands out in the market for its advanced features and reliability. The support for **PCI Express 4.0** and **5.0** slots ensures that you can take full advantage of the latest graphics cards and storage solutions. The **Intel Core i7-14700** is not just a processor; it's a gateway to enhanced computing experiences, providing users with the power and efficiency needed for today's demanding applications.
