Dahua IPC-HFW2449T-AS-IL-0360B 4MP Smart Dual Light Fixed-focal Bullet WizSense Network Camera

Model: IPC-HFW2449T-AS-IL-0360B

Manufacturer: DAHUA

EAN: 6923172589019

Product Code: 1578386

R3,149

Enhance your security setup with this 4MP bullet network camera, equipped with advanced WizSense technology for intelligent surveillance. The camera features a fixed-focal lens with a 3.6mm focal length, providing clear and detailed images. It supports dual-light functionality that combines infrared and white light illumination, ensuring optimal visibility in various lighting conditions, both during the day and at night.

The device is designed for outdoor use with an IP67 rating, confirming its resistance to dust and water, making it suitable for diverse weather conditions. It also includes smart motion detection capabilities that differentiate between human and vehicular targets, reducing false alarms and
