

Dahua Technology WizSense NVR4232-EI network video recorder 1U Black

Model: NVR4232-EI

Manufacturer: DAHUA

EAN: 6923172584304

Product Code: 1578411

R6,649

This network video recorder supports up to 32 channels and is equipped with advanced WizSense technology, enhancing its capabilities in areas such as intelligent video analysis and deep learning algorithms. The unit is designed in a compact 1U form factor and can accommodate two hard drives, allowing for extensive video storage.

The device offers high-definition recording and playback across all channels, ensuring detailed image capture and smooth video output. It supports various video compression formats, including H.265 and H.264, which help in optimizing storage space and bandwidth usage. The recorder is also capable of simultaneous real-time playback and live view, making it efficient for monitoring and
