Dahua Technology Lite HAC-HDW1200TRQ(-A) Turret CCTV security camera Indoor & outdoor 1920 x 1080 pixels Ceiling/wall

Model: HAC-HDW1200TRQ-0280B-S6

Manufacturer: DAHUA

EAN: 6939554995729

Product Code: 1578418

R965

Equipped with a 2MP sensor, this HDCVI camera delivers high-definition video footage with a resolution of 1920 x 1080 pixels, ensuring clear and detailed images. The camera features a fixed-focal lens with a 2.8mm focal length, providing a wide-angle view suitable for comprehensive surveillance coverage.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Designed for both indoor and outdoor use, the camera is housed in a durable casing that is rated IP67, making it resistant to dust and water. It also includes infrared capabilities with a range of up to 20 meters, allowing for effective night vision.

The model supports multiple video formats including HDCVI, CVBS, AHD, and TVI, offering versatility and ease of integration with existing surveillance systems. Additionally, the camera incorporates advanced image processing technologies such as backlight compensation, automatic white balance, and digital noise reduction to enhance image quality under varying lighting conditions.

This camera operates within a power supply range of 12V DC, making it energy efficient. Its compact design and adjustable mounting options facilitate easy installation in a variety of settings.
