Dahua Technology PFM320D-015 security camera accessory Power supply

Model: PFM320D-015

Manufacturer: DAHUA

EAN: 6939554930850

Product Code: 1578435

R713

The **Dahua PFM320D-015** is a high-performance **DC12V1.5A Power Adapter** designed for reliable operation in various environments. With its **easy installation** feature, this power adapter proves to be user-friendly and efficient in powering your devices. The product is engineered to support operation under a wide temperature range from **-30°C to +70°C**, ensuring that it can maintain full load efficiency of up to **100%** even in extreme conditions.

Another significant advantage of the **Dahua PFM320D-015** is its **accurate overcurrent and overvoltage protection**, which safeguards your equipment from potential damage due to power fluctuations. The built-in **indicator light** further enhances usability by signaling operational status
