

Western Digital Gold 14TB WD142KRYZ

Model: WD142KRYZ

Manufacturer: WESTERN DIGITAL

EAN: 718037899886

Product Code: 1578451

R17,297

The **WD142KRYZ** is a high-performance **Western Digital Gold WD Enterprise Class SATA HDD** designed for demanding storage environments. With a generous **capacity of 14 TB**, this hard drive is ideal for data-intensive applications, including enterprise-level data centers and high-capacity storage solutions. The **3.5-inch** form factor ensures compatibility with a wide range of systems, making it a versatile choice for various setups.

Operating at a swift **7200 RPM**, the **WD Gold** HDD delivers exceptional performance and reliability, ensuring quick access to your data. This model is engineered with advanced technology that enhances its durability and efficiency, making it suitable for 24/7 operations. The **WD Gold** line is recognized for its superior performance, providing a significant advantage over standard drives in terms of workload handling and longevity.
