Western Digital Red Pro 8TB WD8005FFBX

Model: WD8005FFBX

Manufacturer: WESTERN DIGITAL

EAN: 718037902838

Product Code: 1578452

R10,223

The **WD8005FFBX Western Digital Red Pro** is a high-performance **HDD** designed specifically for NAS systems and high-demand environments. With a generous **capacity of 8 TB**, this **3.5-inch HDD** provides ample storage space for your critical data, making it an ideal choice for small to medium-sized businesses and creative professionals who require reliable and efficient data management. The **7200 RPM** speed ensures quick access to your files, enhancing productivity and workflow.

Engineered for durability and performance, the **Western Digital Red Pro** line is built with advanced technology that supports 24/7 operation. This model is equipped with **NASware 3.0 technology**, which optimizes the drive's performance and reliability in multi-drive environments. This feature not only improves data integrity but also enhances the overall efficiency of your NAS system, setting it apart from standard HDDs.
