

Hikvision DS- 2CD2143G2- IU(2.8mm) 4 MP AcuSense Built- in Mic Fixed Dome Network Camera

Model: DS-2CD2143G2-IU(2.8mm)

Manufacturer: HIKVISION

EAN: 6941264070894

Product Code: 1578469

R4,717

This network camera features a 4-megapixel resolution, ensuring high-quality images with enhanced detail and clarity. It is equipped with a 2.8mm fixed lens that provides a broad field of view, suitable for comprehensive area coverage. The device includes AcuSense technology, which utilizes deep learning algorithms to distinguish between human and vehicular targets from other moving objects, effectively reducing false alarms and improving security efficiency.

The camera also comes with a built-in microphone that captures clear audio within the vicinity, adding an additional layer of security through sound recording. Its dome design is both discreet and resistant to vandalism, making it suitable for installation in a variety of settings that require

surveillance, including outdoor environments due to its weather-resistant properties.

With advanced features such as high dynamic range and 3D digital noise reduction, the camera delivers superior image quality under varying light conditions. It supports H.265+ video compression technology, which significantly reduces bandwidth and storage requirements while maintaining high-quality video output. The device is also compatible with various network protocols and can be integrated into existing video management systems.
