

Hikvision DS- 2CD2183G2- IU(2.8mm) 8 MP AcuSense Vandal Fixed Dome Network Camera

Model: DS-2CD2183G2-IU(2.8mm)

Manufacturer: HIKVISION

EAN: 6941264095453

Product Code: 1578470

R5,565

Equipped with a high-resolution 8-megapixel sensor, this fixed dome network camera delivers clear and detailed images, ensuring comprehensive surveillance coverage. The camera features AcuSense technology, which enhances its ability to accurately distinguish between human figures and vehicles from other moving objects, minimizing false alarms and improving security efficiency.

The unit comes with a 2.8mm fixed lens that provides a wide-angle view, suitable for monitoring large areas. It supports H.265+ video compression technology, which significantly reduces bandwidth and storage requirements while maintaining high-quality video output.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Designed for durability, the camera boasts an IP67 weatherproof rating, making it resistant to adverse weather conditions, and an IK10 vandal-proof rating, ensuring protection against physical impacts. It also includes built-in IR illumination with a range of up to 30 meters, enabling clear night vision.

Additional features include a built-in microphone for audio recording, which complements the visual surveillance for a more comprehensive security solution. The camera supports various network protocols and has the capability for direct storage to a microSD card, offering flexible installation and data management options.
