

Hikvision DS- 2CD2387G2P- LSU/SL(4mm)(C) 8 MP Panoramic ColorVu Fixed Turret Network Camera

Model: DS-2CD2387G2P-LSU/SL(4mm)(C)

Manufacturer: HIKVISION

EAN: 6931847164355

Product Code: 1578476

R7,942

Equipped with an 8 MP high-resolution sensor, this fixed turret network camera delivers clear and detailed panoramic images, ensuring comprehensive coverage of wide areas. The device features ColorVu technology, which provides vivid color rendering and superior video performance in low-light environments. With a 4mm fixed lens, the camera offers a broad field of view, making it suitable for expansive outdoor and indoor spaces.

The camera includes built-in supplemental lighting, which enhances visibility in complete darkness up to a range of 30 meters. It supports H.265+ video compression technology, which significantly reduces bandwidth and storage requirements while maintaining high-quality video output.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
