Hikvision DS-2CD2T47G2H-LI(2.8mm)(eF) 4 MP Smart Hybrid Light with ColorVu Fixed Bullet Network Camera

Model: DS-2CD2T47G2H-LI(2.8mm)(eF)

Manufacturer: HIKVISION

EAN: 6942160415772

Product Code: 1578477

R6,416

Equipped with a 4 MP high-resolution sensor, this fixed bullet network camera delivers clear and detailed images, ensuring effective surveillance and security. The device features ColorVu technology, which provides vivid color rendering and full-time color imaging, even in low-light environments. With a 2.8mm fixed lens, the camera offers a wide field of view, making it suitable for monitoring large areas.

This model includes smart hybrid lighting, which intelligently adjusts to varying light conditions to maintain optimal brightness and visibility. The camera supports H.265+ video compression

technology, which reduces bandwidth and storage requirements while maintaining high-quality video output.

Designed for durability, the camera is housed in a weather-resistant casing, making it suitable for outdoor use in various weather conditions. It also supports various advanced functionalities such as motion detection, video tampering alarms, and network disconnect alerts, enhancing its security capabilities.

The installation process is streamlined, thanks to its Power over Ethernet (PoE) feature, which allows both power and data to be carried over a single network cable. This camera is an effective solution for those needing continuous, high-quality video surveillance.
