Hikvision DS-7608NXI-I2/S(E) 8-ch 1U AcuSense 4K NVR

Model: DS-7608NXI-I2/S(E)

Manufacturer: HIKVISION

EAN: 6942160426327

Product Code: 1578481

R7,626

This network video recorder (NVR) features an 8-channel recording capability and is housed in a compact 1U chassis, making it suitable for space-efficient installations. It supports up to 4K video resolution, ensuring high-definition video recording and playback. The device is equipped with AcuSense technology, which enhances its ability to accurately detect and classify humans and vehicles in video feeds, reducing false alarms and improving security efficiency.

The unit offers H.265+ video compression, which significantly reduces bandwidth and storage requirements while maintaining high-quality video output. It includes multiple recording and playback modes, allowing for customizable surveillance options to meet various security needs. The NVR also supports simultaneous HDMI and VGA outputs to deliver multiple video displays.

For connectivity, it features two SATA interfaces for hard drive connections, with a capacity of up to
