

TP-Link VIGI 5MP Full-Color Dome Network Camera

Model: VIGI C250(2.8mm)

Manufacturer: TP-LINK

EAN: 4895252503081

Product Code: 1578537

R2,457

All The Colors, All The Time

5MP Full-Color Dome Network Camera

24/7 Stunning Visual Experience

5MP Super-High Definition

Monitor 24-hour clear and colorful details even in pitch dark night. VIGI Full-Color camera provides maximum 5MP resolutions and ensures colorful monitoring with its large-aperture lens, high-sensitivity sensor, and attached supplemental lights.

SmartVid-Smart Video Enhancement

VIGI's professional technologies process videos to greatly improve their quality that is vital to your monitoring, including WDR, 3D DNR, Smart IR, and Night Vision.

Human & Vehicle Classification

Integrated AI chips support advanced algorithms to distinguish humans and vehicles from other objects. You can flexibly customize alarm rules to match your monitoring needs and receive more accurate event notifications.

Comprehensive AI Detection with Pre-Set Rules Supported

By setting the detection rules in advance, VIGI AI-powered cameras can accurately capture various abnormal events. This will greatly reduce false alarms and cover your specified monitoring needs in different scenarios.

People & Vehicle Analytics

Quickly find people and vehicles of interest using a series of attributes.

People Analytics

Filter people of interest by various attributes, such as gender, hair length, and clothing, allowing you to improve search efficiency.

Vehicle Analytics

Identify and search for vehicles of interest based on vehicle color and type for targeting meaningful events in a short time.

No More Silent Surveillance

Built-In Microphone

The VIGI camera features a built-in microphone to record anything going on within a 15-ft radius of the camera. This gives you more detailed monitoring for greater peace of mind.

IK10 Vandal-Proof & IP67 Waterproof

With vandal-resistant, rugged housing and waterproof design, this VIGI dome camera is built tough to withstand vandalism and harsh environments with rain and dust for constant security anywhere and anytime.

Smart Video Coding by H.265+

Compresses the video size without sacrificing video quality, easing the network load and saving disk space.

Flexible Storage

Local storage is available for each method, as well as onboard storage with an SD card slot (up to 256 GB).

PoE/12V DC

Two power supply ways not only give you more convenience but also make your wiring remarkably easy.

Flexible Installation

Easily route your camera's cable into a dropped ceiling or avoid drilling by slotting it through the camera's side outlet.

Remote Management

Take full control over your security anytime and anywhere on the VIGI app or client.

One system. Full security.

Run your business with peace of mind.

The VIGI professional surveillance system by TP-Link is dedicated to protecting the business you've worked hard to build — whenever, wherever. Our outstanding functions, reliable quality guarantees, and simplified installation work together to ensure your business stays safe and sound.
