

Ubiquiti UACC-Camera-CJB-B Camera Compact Junction Box

Model: UACC-Camera-CJB-B

Manufacturer: UBIQUITI

EAN: 810084694404

Product Code: 1578565

R1,872

The **UACC-Camera-JB** is a tamper-resistant junction box specifically designed for the **UniFi Bullet, Dome, and Turret cameras**. This durable product not only enhances mounting durability but also improves aesthetics while providing ease of maintenance. It is an essential accessory for those looking to secure their camera installations against tampering.

With dimensions of **Ø140.4 x 59.7 mm (Ø5.5 x 2.4")** and a total weight of **470 g (16.6 oz)**, the **UACC-Camera-JB** is constructed from high-quality materials including **aluminum alloy** and **polycarbonate**. This ensures that it withstands various environmental conditions while offering a robust mounting solution for your camera systems.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

This junction box offers compatibility with numerous **UniFi camera models**, including the **UVC-G4-Dome**, **UVC-G5-Dome**, **UVC-G3-Pro**, and **UVC-AI-PRO**. This versatility allows users to extend the functionality and security of their surveillance systems without needing multiple different mounting solutions.

The **UACC-Camera-JB** also features a **pole mount diameter** that ranges from **1.5" to 2"** and has threaded outlets of **G3/4"**. These specifications make it straightforward to install and ensure a secure fit on a variety of mounting surfaces. When it comes to integrating your security cameras seamlessly into your environment, this junction box is an excellent choice.
