Ubiquiti UACC-SSD-Tray M.2 SSD Tray for Cloud Gateway Max

Model: UACC-SSD-Tray

Manufacturer: UBIQUITI

EAN: 810084699294

Product Code: 1578617

R1,011

The **Ubiquiti UACC-SSD-Tray M.2 SSD Tray** is a high-quality, optional storage insert designed for the **Cloud Gateway Max**. It offers support for multiple M.2 NVMe SSD sizes, including 2230, 2242, 2260, 2280, and 22110, providing versatile storage expansion options. This flexibility ensures compatibility with a wide range of SSDs, making it an ideal solution for businesses seeking to enhance the storage capacity and performance of their Cloud Gateway Max.

This **SSD tray** is easy to install and seamlessly integrates with the Cloud Gateway Max, offering additional storage without compromising the device's efficiency. By using the Ubiquiti UACC-SSD-Tray, users can enhance data handling capabilities, making it a perfect choice for enterprises that demand high-speed, scalable storage solutions in their network infrastructure.
