

Ubiquiti Cloud Gateway Ultra (UK Version)

Model: UCG-Ultra-UK

Manufacturer: UBIQUITI

EAN: 810084695456

Product Code: 1578620

R4,368

The **Ubiquiti ULTRA** is a high-performance networking device designed to enhance your connectivity experience. Featuring a sleek **white polycarbonate (PC)** housing, this model not only looks modern but also offers durability. With a data transfer speed of **1000 Mbit/s** through its **Ethernet LAN** port, it supports advanced networking needs, making it ideal for both home and office environments. The device operates on a voltage range of **100 - 240 V** and has a maximum power consumption of just **6.2 W**, ensuring energy efficiency without compromising performance.

Equipped with **10/100/1000Base-T(X)** cabling technology, the Ubiquiti ULTRA stands out for its ability to handle high-speed data transfers seamlessly. The inclusion of **LAN LED indicators** allows for easy monitoring of network activity, providing users with real-time feedback on their connectivity status. This model is designed for those who demand reliability and speed in their networking solutions.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
