

Ubiquiti UACC- OFC-MM-1M 10 Gbps OM3 Duplex LC Cable

Model: UACC-OFC-MM-1M

Manufacturer: UBIQUITI

EAN: 8178820204358

Product Code: 1578623

R678

The **OM3 LC-LC Duplex Fiber Optic Cable** is designed for high-performance data transmission, making it an essential component for modern networking solutions. Manufactured with precision, this cable features a **50/125 μ m fiber mode** that ensures optimal signal integrity and minimal loss. With a **PVC jacket** and an outer diameter of **2.0 mm**, it is both durable and flexible, suitable for various installation environments.

One of the standout features of this cable is its **low insertion loss** of ≤ 0.3 dB, which guarantees efficient data transfer over long distances. The **UPC to UPC polish** enhances the performance by reducing back reflections, while the **return loss** of ≤ 50 dB further ensures a reliable connection. This cable operates effectively across a wavelength range of **850 / 1310 nm**, making it versatile for different applications.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Designed to withstand extreme conditions, the OM3 LC-LC cable operates within an ambient temperature range of **-40 to 75° C (-40 to 167° F)**, ensuring reliability in diverse environments. With a **repeatability** of ≤ 0.1 dB and a durability rating of ≤ 0.2 dB after 1,000 mating cycles, this product stands out for its long-lasting performance. Trust in the quality and innovation of this **OM3 fiber optic cable** to meet your networking needs.
