

Ubiquiti UACC- AI-Pro- Enhancer-W AI Pro Enhancer

Model: UACC-AI-Pro-Enhancer-W

Manufacturer: UBIQUITI

EAN: 810084693025

Product Code: 1578625

R4,947

The **IR Extender** is a cutting-edge device designed to enhance your surveillance capabilities with its ability to **extend IR range up to 40 m (131 ft)**. This feature ensures that you can monitor larger areas effectively, providing peace of mind in various environments. The **integrated radar** technology significantly improves detection accuracy, allowing for precise distance measurement for individuals up to **20 m (66 ft)** and vehicles up to **35 m (115 ft)**, making it an ideal choice for both residential and commercial applications.

Equipped with a **built-in floodlight** that emits an intense **600 lumens**, this device not only enhances visibility during nighttime but also acts as a deterrent against potential intruders. The **high-performance loudspeaker** further amplifies its functionality, providing an effective means of communication or alerting in critical situations. This combination of features positions the IR Extender as a superior option in the market, ensuring comprehensive coverage and response
