Ubiquiti UACC-OFC-M2-LULU-0.5M OM4 Duplex LC UPC Fiber Patch Cable

Model: UACC-OFC-M2-LULU-0.5M

Manufacturer: UBIQUITI

EAN: 810084697412

Product Code: 1578626

R685

The **OM4 multi-mode fibre** is designed to meet the high-performance demands of modern data centers and enterprise networks. This advanced fibre optic cable provides superior bandwidth and transmission capabilities, making it an ideal choice for applications requiring high-speed data transfer. With its ability to support 40G and 100G Ethernet, the OM4 fibre ensures that your network can handle the increasing data loads of today and the future.

Equipped with **Duplex LC UPC connectors**, this fibre optic cable guarantees reliable and efficient connections. The LC connector is known for its low insertion loss and high return loss, which minimizes signal degradation and maximizes performance. This feature is particularly beneficial in environments where maintaining signal integrity is crucial, setting the OM4 fibre apart from standard

options on the market.

Available in various lengths ranging from **0.5 to 30 meters**, this versatile cable can be tailored to fit your specific installation needs. The flexibility in length allows for easy integration into existing setups, making it a practical choice for both new installations and upgrades. With its robust construction and advanced technology, the OM4 multi-mode fibre is a reliable solution for any high-speed networking requirement.
