Traditional broadband or cable installation is expensive and time-consuming for your vacation home, farm, or suburban warehouse. Long contract periods also create headaches for short-rentals, pop-up venues, and temporary shops to access the internet. Archer NX200 ensures a comfortable and no-block network installation. Plug in your SIM card and enjoy high-speed internet!

Powerful Wi-Fi 6

Armed with WiFi 6 technology, NX200 is designed to deliver a huge boost in coverage, speed, and total capacity. Get on the latest mesh WiFi to enjoy the future network that loads faster and connects more.△

EasyMesh-Compatible Networking

Mesh networking creates smooth, fast, stable roaming. Eliminate Wi-Fi dead zones, expand your network, and fill your entire home with high-speed Wi-Fi.*

Available WAN Connection

The gigabit WAN/LAN port enables NX200 to work as a traditional wireless router which is compatible with cable, fiber, and DSL modems. And when it's set as a wireless router, its 5G/LTE connection works as a backup to provide a sustained and reliable internet connection for you.
