Ubiquiti UniFi NAS System 7x 2535 HDD SSD 1x GbE 1x SFP

Model: UNAS-Pro

Manufacturer: UBIQUITI

EAN: 810010079251

Product Code: 1578669

R13,098

The **UNAS Pro** is a high-performance **2U rackmount NAS** designed for large-scale file storage and sharing. With dimensions of **442 x 325 x 87 mm** and a weight of **9.2 kg** without mounting brackets, this robust device is constructed from durable **SGCC steel**. It features seven bays for **2.5/3.5" HDD/SSD**, allowing for extensive storage capabilities and flexibility. The **10 Gb/s** performance ensures rapid data transfer, making it an ideal solution for businesses and environments that require quick access to large files.

Powered by a **Quad-Core ARM® Cortex®-A57** processor running at **1.7 GHz** and equipped with **8 GB of system memory**, the UNAS Pro offers efficient management through its **Ethernet In-Band** interface. It includes one **10G SFP+** uplink port and one **GbE RJ45** port, providing versatile networking options. The device is also **RAID** ready, ensuring data protection and reliability. The **1.3" touchscreen** display allows for easy management and monitoring, enhancing user experience.
