Hikvision DS-2CD2146G2H-ISU(2.8mm)(eF) 4 MP Powered by Darkfighter Fixed Dome Network Camera

Model: DS-2CD2146G2H-ISU(2.8mm)(eF)

Manufacturer: HIKVISION

EAN: 6942160420691

Product Code: 1578749

R5,682

The **Hikvision DS-2CD2146G2H-ISU(2.8mm)(eF)** is a cutting-edge **4 MP Fixed Dome Network Camera** designed for superior surveillance performance. With its high-quality imaging capabilities, this camera ensures that every detail is captured with clarity, making it an ideal choice for various security applications. The integration of **powered-by-DarkFighter technology** significantly enhances low-light performance, allowing for clear and vibrant images even in challenging lighting conditions.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Equipped with **120 dB true WDR technology**, the Hikvision camera excels in environments with strong backlighting, providing clear imaging without distortion. The advanced **H.265+ compression technology** optimizes bandwidth and storage efficiency, ensuring that you get the most out of your surveillance system. Additionally, the camera features deep learning capabilities for **human and vehicle target classification**, enhancing the accuracy of alerts and monitoring.

Built to withstand the elements, the DS-2CD2146G2H-ISU is **IP67 rated** for water and dust resistance and **IK10 rated** for vandal resistance, making it a robust choice for outdoor installations. With a built-in microphone for real-time audio monitoring, this camera combines advanced technology with practical features, ensuring comprehensive security coverage.
