

Hikvision DS- 2CD2183G2- LIS2U(2.8mm) 8 MP Acusense Smart Hybrid Light Fixed Dome Network Camera

Model: DS-2CD2183G2-LIS2U(2.8mm)

Manufacturer: HIKVISION

EAN: 6942160459035

Product Code: 1578751

R5,183

The **Hikvision DS-2CD2183G2-LIS2U(2.8mm)** is an advanced **8 MP Acusense Smart Hybrid Light Fixed Dome Network Camera** designed to deliver high-quality imaging and enhanced security features. With its impressive **8 MP resolution**, this camera ensures that every detail is captured with clarity. The innovative **Acusense technology** utilizes deep learning algorithms to effectively classify human and vehicle movements, significantly reducing false alarms and improving monitoring efficiency.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

One of the standout features of this model is the **Smart Hybrid Light** capability, which combines infrared and white light to provide optimal visibility in various lighting conditions. The camera offers four supplemental lighting modes, ensuring clear imaging even in low-light environments. Additionally, the built-in arrayed dual-microphone enhances audio security by capturing high-quality sound in real-time, making it a comprehensive solution for surveillance needs.

Engineered for durability, the **Hikvision DS-2CD2183G2-LIS2U** is both **water and dust resistant (IP67)** and **vandal-resistant (IK10)**, ensuring reliable performance in challenging environments. With **120 dB true WDR technology**, this camera excels in capturing clear images against strong backlight, making it an ideal choice for various applications. The efficient **H.265+ compression technology** further optimizes storage and bandwidth usage, making this camera a smart investment for any security system.
