One of the standout features of this model is the **Smart Hybrid Light** technology, which integrates both IR and white lights, offering four supplemental lighting modes to adapt to various lighting conditions. Additionally, the built-in arrayed dual-microphone provides real-time high-quality audio security, further enhancing the overall surveillance experience. The camera is equipped with **120 dB true WDR technology**, ensuring clear imaging even in challenging backlight situations. Furthermore, the **H.265+ compression technology** optimizes storage efficiency without compromising video quality.

Designed to withstand the elements, the Hikvision DS-2CD2343G2-LI2U is **water and dust resistant (IP67)**, making it suitable for outdoor installations. This camera not only meets but exceeds the expectations of modern surveillance systems, providing reliable performance and advanced features that set it apart from the competition.
