

Hikvision DS- 2CD2383G2- LI2U(2.8mm)(BLACK) 8 MP Acusense Smart Hybrid Light Fixed Turret Network Camera

Model: DS-2CD2383G2-LI2U(2.8mm)(BLACK)

Manufacturer: HIKVISION

EAN: 6942160459288

Product Code: 1578754

R5,153

The **Hikvision DS-2CD2383G2-LI2U(2.8mm)(BLACK)** is an advanced **8 MP Acusense Smart Hybrid Light Fixed Turret Network Camera** designed to deliver high-quality imaging and enhanced security features. With its impressive **8 MP resolution**, this camera ensures that every detail is captured with clarity, making it ideal for various surveillance applications. The **Acusense technology** focuses on human and vehicle classification using deep learning algorithms, allowing for more accurate detection and reduced false alarms.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

One of the standout features of this model is the **Smart Hybrid Light** capability, which integrates both IR and white lights, providing four supplemental lighting modes to adapt to different lighting conditions. This ensures clear imaging even in low-light environments. Additionally, the built-in arrayed dual-microphone offers real-time high-quality audio security, enhancing the overall surveillance experience. With **120 dB true WDR technology**, the camera excels in capturing clear images against strong backlight, making it a reliable choice for challenging lighting scenarios.

Furthermore, the **Hikvision DS-2CD2383G2-LI2U** utilizes efficient **H.265+ compression technology** to optimize storage and bandwidth usage without compromising image quality. Its robust **IP67 rating** ensures that the camera is water and dust resistant, making it suitable for both indoor and outdoor installations. This model is part of Hikvision's commitment to providing cutting-edge surveillance solutions that prioritize performance and reliability.
