Hikvision DS-2CD2T86G2H-2I(2.8mm)(eF) 8 MP Powered by Darkfighter Fixed Bullet Network Camera

Model: DS-2CD2T86G2H-2I(2.8mm)(eF)

Manufacturer: HIKVISION

EAN: 6942160432717

Product Code: 1578757

R7,123

The **Hikvision DS-2CD2T86G2H-2I(2.8mm)(eF)** is a cutting-edge **8 MP Fixed Bullet Network Camera** designed for superior surveillance performance. With its high-quality imaging capabilities, this camera ensures that every detail is captured with remarkable clarity. The integration of **powered-by-DarkFighter technology** allows for exceptional low-light performance, making it an ideal choice for environments with challenging lighting conditions.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Equipped with **120 dB WDR technology**, the Hikvision DS-2CD2T86G2H-2I excels in producing clear images even against strong backlighting. This feature, combined with **efficient H.265+ compression technology**, ensures that storage space is optimized without compromising on image quality. Additionally, the camera utilizes advanced deep learning algorithms to focus on human and vehicle classification, enhancing its surveillance capabilities.

Built to withstand the elements, this model boasts an **IP67 rating** for water and dust resistance, ensuring reliable operation in various outdoor conditions. The Hikvision DS-2CD2T86G2H-2I is a part of the renowned Hikvision product line, known for its commitment to innovation and quality in security solutions.
