This camera excels in low-light conditions, featuring an impressive **IR distance of up to 40 meters** and a **white light distance of up to 40 meters**, allowing for bright and clear night imaging. The **IP67 rating** ensures that the camera is both water and dust resistant, making it suitable for outdoor use in various weather conditions. Additionally, the **built-in microphone** and audio over coaxial cable capability provide high-quality audio, enhancing the overall surveillance experience.

Equipped with a unique **Smart-Hybrid light** feature, the Hikvision DS-2CE17K0T-LFS offers flexible lighting options to optimize your security setup. The camera also includes a versatile port for four switchable signals (TVI/AHD/CVI/CVBS), ensuring compatibility with various systems. Trust in Hikvision's expertise to provide you with a reliable and advanced surveillance solution.
