Hikvision DS-2DE3A400BW-DE/W(F1)(T5) 3-inch 4 MP ColorVu Wi-Fi Mini PT Dome Network Camera

Model: DS-2DE3A400BW-DE/W(F1)(T5)

Manufacturer: HIKVISION

EAN: 6931847160203

Product Code: 1578766

R6,879

The **Hikvision DS-2DE3A400BW-DE/W(F1)(T5)** is a state-of-the-art **3-inch 4 MP ColorVu Wi-Fi Mini PT Dome Network Camera** designed for superior surveillance capabilities. Utilizing advanced **deep learning hardware and algorithms**, this camera excels in accurate human and vehicle target classification, ensuring reliable alarm notifications and effective face capture. With the ability to automatically select the best shot, it can detect and capture up to **5 faces simultaneously**, enhancing security monitoring in various environments.

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

This model boasts impressive technical specifications, including a resolution of up to **2560 × 1440 @ 30 fps**, ensuring crystal-clear imaging. The camera operates effectively in low-light conditions, with a minimum illumination of just **0.0005 Lux** in color mode and 0 Lux with white light, providing 24/7 colorful imaging. Additionally, the **120 dB WDR** and **3D DNR** features enhance image quality by reducing noise and improving dynamic range, making it a superior choice for continuous surveillance.

Built to withstand harsh environments, the **Hikvision DS-2DE3A400BW-DE/W(F1)(T5)** is rated **IP66** for water and dust resistance, ensuring durability and reliability. Its **PoE** capability simplifies installation by allowing power and data to be transmitted over a single cable. With its linked audible and visual alarm, as well as built-in microphone and speaker, this camera not only captures high-quality footage but also provides an interactive security solution.
