

Hikvision DS-K1108AMK Pro 1108A Series Card Reader

Model: DS-K1108AMK

Manufacturer: HIKVISION

EAN: 6941264062905

Product Code: 1578788

R1,967

The **Hikvision DS-K1108AMK** is a state-of-the-art **Card Reader** from the renowned **Hikvision** brand, designed to enhance security and access control systems. This model belongs to the **1108A Series**, offering versatile compatibility with various protocols including **RS-485**, **Wiegand (W26, W34)**, and **OSDP**. It supports the reading of **EM cards** at a frequency of **125 KHz** and **M1 cards** at **13.56 MHz**, making it suitable for a wide range of applications. Additionally, it can read **Desfire** and **Felica cards**, further enhancing its functionality.

One of the standout features of the **DS-K1108AMK** is its **tamper-proof function**, which ensures that any unauthorized attempts to access or manipulate the device are promptly detected. This is complemented by a **built-in buzzer** that provides audible status indications, allowing users to easily monitor the operational state of the reader. The combination of these advanced features positions the **Hikvision DS-K1108AMK** as a reliable and effective solution for modern security needs.
