Hikvision DS-K1T805MBWX Access Control Terminal

Model: DS-K1T805MBWX

Manufacturer: HIKVISION

EAN: 6942160415659

Product Code: 1578789

R4,489

The **Hikvision DS-K1T805MBWX Access Control Terminal** is a state-of-the-art security solution designed for modern access control needs. With a high protective level of **IP65** and **IK08**, this terminal is built to withstand harsh environmental conditions, ensuring reliable performance in various settings. Its **slim and flexible design** made from durable metal not only enhances its aesthetic appeal but also guarantees longevity and resilience.

This advanced access control terminal features an impressive storage capacity, accommodating up to **10,000 cards** and **100,000 events**, making it ideal for both small and large organizations. The built-in card reader supports **M1 cards**, while the device also offers multiple authentication methods including card, PIN, and Bluetooth, providing flexibility and convenience for users. Additionally, the **Hik-Connect mobile app** support allows for seamless operation and management from your smartphone, enhancing accessibility and control.
