

Hikvision DS-K1T805MX Access Control Terminal

Model: DS-K1T805MX

Manufacturer: HIKVISION

EAN: 6942160415635

Product Code: 1578790

R5,361

The **Hikvision DS-K1T805MX Access Control Terminal** is a state-of-the-art solution designed for secure and efficient access management. With a **high protective level** rated at **IP65** for dust and water resistance and **IK08** for impact protection, this terminal is built to withstand challenging environments. Its **slim and flexible design** crafted from durable metal ensures both aesthetic appeal and long-lasting performance, making it an ideal choice for various applications.

This access control terminal boasts impressive storage capabilities, accommodating up to **10,000 cards** and **100,000 events**, ensuring that you can manage a large number of users and track access history effectively. The built-in **card reader for M1 cards** and support for multiple authentication types, including card and PIN, provide versatile options for secure access. Additionally, the device supports operation via the **Hik-Connect mobile app**, allowing for convenient management and monitoring from your smartphone.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
