R3,536

The **Hikvision DS-KD-ACW3** is a set of **2nd Video Intercom Brackets** designed specifically for modular door stations. This comprehensive kit includes **3 surface mounting module brackets**, complete with **3 module frames**, **3 module front panels**, a **button cover**, and all necessary accessories for seamless installation. This ensures that your intercom system is not only functional but also aesthetically pleasing.

Constructed from **high-quality aviation aluminium material**, the DS-KD-ACW3 brackets provide exceptional durability and resistance to the elements, making them ideal for both residential and commercial applications. The robust design of these brackets offers a significant advantage over competitors, ensuring that your intercom system remains secure and reliable in various environments.
