

Hikvision DS-KD-M KD8 Series Pro Modular Door Station

Model: DS-KD-M

Manufacturer: HIKVISION

EAN: 6954273691516

Product Code: 1578809

R2,058

The **Hikvision DS-KD-M** is a part of the **KD8 Series Pro Modular Door Station**, designed to enhance security and convenience for residential and commercial properties. This innovative door station features a **M1 card reader module**, which supports unlocking doors through card swiping and issuing cards, making access control seamless and efficient. With its **IP65 protection rating**, this device is built to withstand harsh weather conditions, ensuring reliable performance year-round.

One of the standout features of the **Hikvision DS-KD-M** is its **backlight compensation** behind the module, which ensures clear visibility in varying light conditions. This technology not only improves user experience but also enhances security by providing consistent image quality. Additionally, the modular design allows for easy expansion and customization, making it an ideal choice for any security system setup.
