Ubiquiti UCG-Fiber (30W) gateway/controller 10, 100, 1000, 2500, 10000 Mbit/s

Model: UCG-Fiber

Manufacturer: UBIQUITI

EAN: 810177161288

Product Code: 1578880

R7,186

The **Ubiquiti UCG-Fiber (30W)** is a cutting-edge solution designed for high-performance networking. This product features a sleek **white polycarbonate (PC)** housing, ensuring durability and a modern aesthetic. Equipped with a **LCM display** and status **LED indicators**, it provides real-time monitoring of network performance. The device is powered by a robust **ARM Cortex processor**, delivering exceptional processing capabilities for seamless data handling.

With support for advanced routing protocols such as **OSPF**, the UCG-Fiber ensures efficient data transfer across networks. It offers impressive Ethernet LAN data transfer speeds of up to **10,000 Mbit/s**, making it an ideal choice for environments requiring high bandwidth. Additionally, the device
