Ubiquiti U7-Pro-XGS Access Point

Model: U7-Pro-XGS

Manufacturer: UBIQUITI

EAN: 810084698341

Product Code: 1578891

R7,713

The **Ubiquiti U7-Pro-XGS Access Point** is a cutting-edge solution designed to elevate your wireless networking experience. With its advanced **WiFi 7** technology and support for the **6 GHz** band, this access point ensures lightning-fast connectivity and minimal interference. The device boasts **8 spatial streams**, allowing for superior data throughput and performance, making it ideal for high-density environments.

Engineered for extensive coverage, the U7-Pro-XGS provides a remarkable **160 m² (1,750 ft²)** coverage area, accommodating over **500 connected devices** seamlessly. Its **10 GbE uplink** and **real-time spectral analysis** capabilities enhance channel selection, optimizing network performance and reliability. Additionally, the access point is powered using **PoE++**, simplifying installation and reducing cable clutter.
