Ubiquiti USW-Pro-XG-48-PoE Swich

Model: USW-Pro-XG-48-PoE

Manufacturer: UBIQUITI

Product Code: 1578902

R65,248

The **Ubiquiti USW-Pro-XG-48-PoE Switch** is a high-performance networking solution designed for demanding environments. This switch features **Etherlighting™ ports** that illuminate to indicate port location, speed/link, and native VLAN/network, enhancing visibility and ease of use. With a robust configuration of **(32) 10 GbE** and **(16) 2.5 GbE ports**, all capable of **PoE++ (90W)**, this switch ensures efficient power delivery to connected devices.

Equipped with **(4) 25G SFP28 ports**, the USW-Pro-XG-48-PoE Switch offers exceptional flexibility for high-speed uplinks, making it an ideal choice for data-intensive applications. The switch also provides **1,080W total PoE availability**, ensuring that your network can support a wide range of powered devices without compromising performance. Additionally, it is **DC power backup ready**, allowing for uninterrupted operation in critical situations.
