

Ubiquiti G6 Bullet IP security camera Indoor & outdoor 3840 x 2160 pixels Ceiling/Wall/Pole

Model: UVC-G6-Bullet-W

Manufacturer: UBIQUITI

EAN: 810084698792

Product Code: 1578934

R5,401

UBIQUITI G6 BULLET: 4K CAMERA WITH WIDE CAPABILITIES

The Ubiquiti G6 Bullet is an excellent solution in the field of surveillance, combining advanced technology with reliability in all weather conditions. With an 8-megapixel image sensor and a powerful AI Multi-TOPS engine, the camera delivers incredibly detailed recordings in 4K resolution, allowing for precise detail recognition. Additionally, long-range infrared enables excellent visibility at night, making this model ideal for protection both day and night. The Ubiquiti G6 Bullet is an

indispensable element of a security system that combines modern technologies with ease of use.

INNOVATIVE MONITORING SYSTEM WITH 4K RESOLUTION AND AI

Offering advanced monitoring technologies, the 4K camera is an excellent solution for those seeking high-quality security. With its impressive resolution of 3840 x 2160 and infrared range of up to 30 meters, it provides a clear image both day and night. Thanks to intelligent detections such as facial recognition and license plate recognition, users can enjoy additional features that enhance security. The camera features a robust construction resistant to weather conditions (IP66) and harsh operating conditions (IK04), making it an ideal choice for outdoor use. Additionally, the ability to mount it on a wall, ceiling, or pole makes it extremely versatile and easy to install in various locations.
